

Give the Gift of Platinum and Gold from the United States Mint 2008 Gift Catalog

October 20, 2008

Washington — Enrich your holiday season with collectible platinum and gold coins from the United States Mint 2008 Gift Catalog, scheduled for release on October 27, 2008. The catalog includes a sneak preview of one of the most eagerly anticipated United States Mint products in recent years – the 2009 Ultra High Relief Double Eagle Gold Coin. This next gem in the United States Mint’s treasure chest, which will be offered for sale beginning in January 2009, is a re-creation of celebrated sculptor Augustus Saint-Gaudens’ original 1907 design.

“Our gift catalog showcases the exceptional artistry of genuine United States Mint coinage,” said United States Mint Director Ed Moy. “The featured products are well crafted and make exceptional gifts. We encourage customers to place their orders early.”

Send a wish for prosperity this holiday season with the American Buffalo 2008 Celebration Coin™, a one ounce of 24-karat gold bullion coin, or the luxuriously packaged 8–8–08 Double Prosperity Set, which contains one 24-karat American Buffalo one-half ounce gold uncirculated coin and one 22-karat American Eagle one-half ounce gold uncirculated coin.

For the history buffs on your list, the catalog offers proof and uncirculated 24-karat 2008 First Spouse Gold Coins bearing the portraits of Elizabeth Monroe, Louisa Adams and Andrew Jackson’s Liberty. Martin Van Buren’s Liberty First Spouse Gold Coin will be available in November.

Proof and uncirculated versions of American Eagle platinum and gold coins are also showcased in the 2008 United States Mint Gift Catalog. These collectible coins are available in one ounce, one-half ounce, one-quarter ounce, and one-tenth ounce, as well as in a four-coin set containing one coin in each size.

Or consider one of the 2008 Bald Eagle Commemorative Coins. Available options include proof and uncirculated versions of a gold coin with a denomination of \$5, a silver dollar coin and a half-dollar clad coin. A Coin and Medal Set that includes an uncirculated Bald Eagle Silver Dollar and a bronze Bald Eagle Medal from the National Wildlife Refuge System Centennial Medal Series is also available. The Bald Eagle Proof Silver Dollar Coin is part of the annual United States Mint American Legacy Collection® that also includes the 14 coins of the 2008 United States Mint Proof Set®.

In addition to the final coins in the 50 State Quarters Program honoring Oklahoma, New Mexico, Arizona, Alaska and Hawaii, the 2008 Gift Catalog includes Presidential \$1 Coin products honoring James Monroe, John Quincy Adams, Andrew Jackson and Martin Van Buren.
